

All grievances may first be addressed internally through the Head of the Department / Director. In case the students wish to register their grievance for any reason, IMU has created a facility wherein the students can register their grievances in the website. The details regarding this is available under "Students corner- Students Grievances menu" in the website www.imu.ac.in or www.imu.edu.in.

The students may also register their grievances in the grievances portal of UGC <http://www.ugc.ac.in/grievance>.
