The EOLSS is intended to be the literary equivalent of an expert advisor, a sophisticated expert system, which can be used to summarize the state-of-the-art in subject domains, identify formal knowledge principles, relevant knowledge practices and likely future perspectives, and suggest additional sources of relevant material. In this way, the EOLSS may be regarded as a source of carefully organized knowledge and not just a provider of raw information and data.

SWAYAM

SWAYAM is a programme initiated by MHRD (Ministry of Human Resource Development) and AICTE (All India Council for Technical Education) with the help of Microsoft and is equipped for facilitating 2,000 courses. The platform offers free access to everyone and hosts courses from class 9 till post-graduation. It enables professors and faculty of centrally funded institutes like IITs, IIMs, IISERs, etc. to teach students. The objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy.
